

CORNWALL TREC GROUP – NEWS TIME

January 2010

Happy New Year!!

I hope you all had a great Christmas and that 2010 brings great things for you.

We have our AGM coming up and we really need you to come along and support it. We have Meila Clifford doing a talk on Equine Dentistry and we shall also have some nibbles. We will also be doing the Yearly presentations.

It is your club and we need to hear from you re any thoughts or ideas you have. We also need your input at the competitions. A lot of the problems we had in 2009 were down to lack of man power. If you can't make it to the AGM perhaps you could send me any queries or ideas you have? We are not telepathic so if you have something to say, please do. Enthusiasm is catching and that is what keeps a Club alive.

Talking of enthusiasm, you may see the extra date for an Indoor Trec at Rosevidney. A relatively new Trec member from West Cornwall contacted me and asked why we didn't do anything down in the western part of the county? A perfectly fair question. Being as none of our committee are from down that way it tends to be that we find venues around the area that we are familiar with. We have often suggested to our westerly members that if you find a good venue we will bring the equipment and run something. Anyhow, Peta has been persistent and hence the date at Rosevidney. The day will start with a training session for people who are interested in Trec and being able to run Trec competitions. The more people down the westerly end of the county able to run events then the more likelihood there is of events being held down in that area. Brilliant!!!

I am really pleased to see that the Website is being used a lot by members. That is good. If you didn't already know, we also now have a Facebook Group with quite a few fans already.

Remember, we really want to see you at the AGM. It should be a pleasant evening.

See you soon.

Cathy x

First Indoor Points Showing Show

Polean, Pelynt, Nr Looe

Cornwall Treccs Indoor Points Showing Show Series got under this weekend. The first of the Shows was held at Polean, Pelynt, Nr Looe. Lucy, Laurie and Cathy were really pleased with how the day went. The venue was very nice and accommodating with a few of the resident liveries getting involved. It was nice to see the familiar faces as well as several new ones. Mrs A Semmens was judge for the day and she sent many home with useful advice for the future. A few of the smaller children had a great day and really got stuck in and had a go which shows what Cornwall Treccs showing shows are all about. Fun, making new friends, support and advice.

Second Indoor Points Showing Show

Chiverton, Silverwell, Truro The second of Cornwall Trec Groups Showing Shows attracted a few new faces. Only the brave came out for this show as the weather in the morning was far from pleasant with flash hale storms and heavy rain. The battle for the point's championship is hotting up as we near the half way stage of the points series. Gemma Jones had kindly given up her time to come and judge. We carefully choose our judges to make sure they are encouraging to all horse and rider combinations. The young children really seem to be benefiting and are being a stage braver at each show. The children are also doing their parents proud by being well behaved throughout the shows. The young horses are learning well too. Rachel Tremaine took both the inhand and ridden championships with Penny Greens gorgeous Fenrose Aine.

Third Indoor Points Showing Show

Lakefield Equestrian, Camelford The rough weather we have been having as well as the weather warnings that had been given out all weekend meant that the turnout for the 3rd of our indoor points series showing shows was pretty poor. However, those that managed to get there had a nice time and learnt something from the very informative and friendly judge Mr K R Rowlands. We have been really pleased with the feedback that we are getting from our competitors. The judges have been carefully chosen by Lucy & Laurie Booth to ensure that they would encourage and educate all who took part.
